## DETAILED ACTION

### *Allowable Subject Matter*

1. Claims 1, 5-14 and 16-24 are allowed.
2. The following is an examiner's statement of reasons for allowance: regarding claim 1, the reason for the allowance of the claim is due to persuasive arguments by the applicant that the prior art does not show a wafer staging platform comprising first and second platforms are arranged one above the other and in close proximity to a processing platform.

Regarding claims 5 and 23, the reason for the allowance claims is in the Office Action mailed on November 22, 2006. Since claims 6-14, and 16-22 depend from claim 5 and claims 22-24 depends from claim 23, they also have allowable subject matter.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jermele M. Hollington whose telephone number is (571) 272-1960. The examiner can normally be reached on M-F (9:00-4:00 EST) First Friday Off.
